Giving Administrator Application Pack

About Müllers

Our founder, George Müller, is one of the modern heroes of the Christian faith. He is best known for caring for over 10,000 orphans in his lifetime, raising over £100 million never by asking for donations, but by asking God to provide. He is also known for pastoring churches, being a gifted preacher and an international missionary. He called upon the Church to step up in faithful living and action for the vulnerable so that, in his own words, **“it may be seen that God is faithful still and hears prayers still”**.

Even today, people all around the world are still inspired by his legacy of faith, prayer and action. Although the world now looks very different to how it did 200 years ago, our approach is still that of George Müller's, combining prayer and care for vulnerable people. We work to enable those without a family, experiencing poverty, unable to access education, denied healthcare, and coming up against systemic oppression to experience life to experience hope and wholeness. The mission of George Müller is still alive and active as we continue to **“strengthen the Church to meet the needs of the vulnerable.”** We achieve this through four key strategic areas; Inspiring Faith, Nurturing Family, Resourcing Mission and Transforming Communities.
